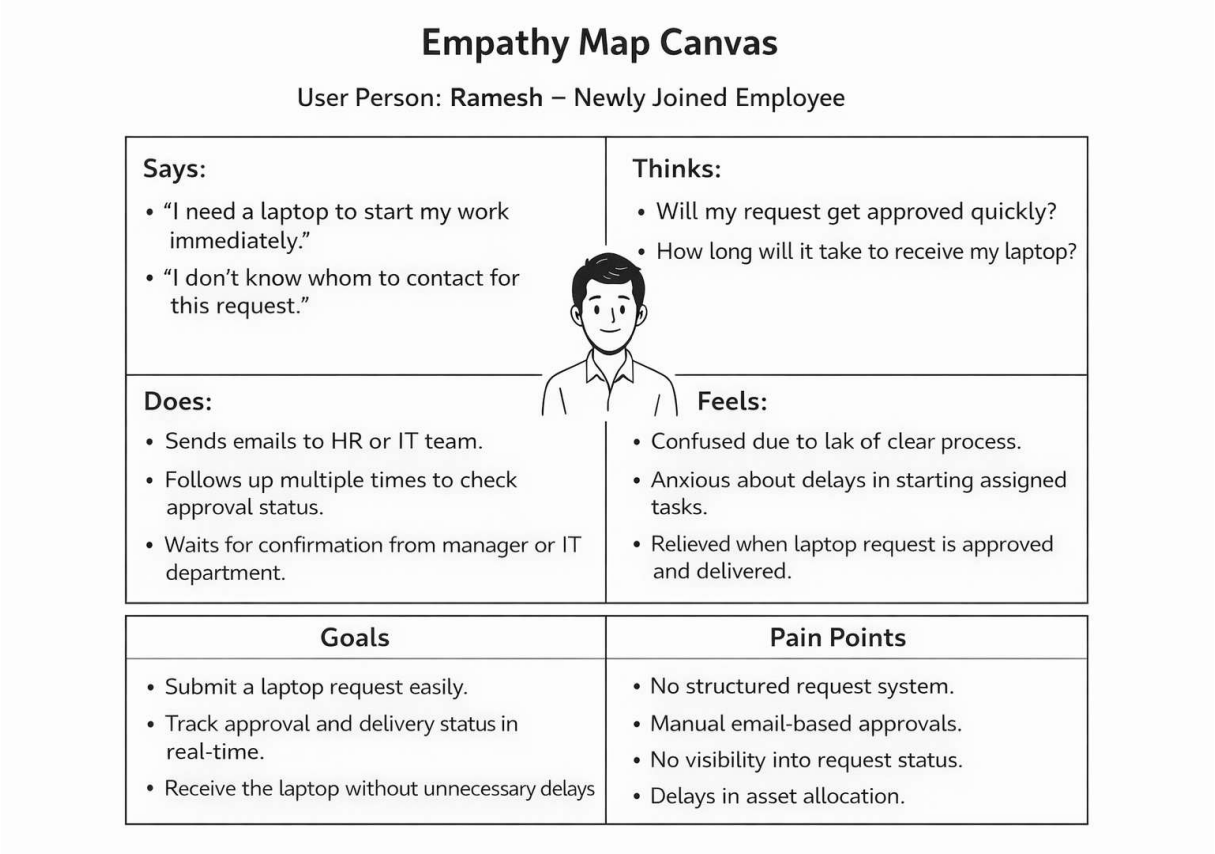
Says:
• “I need a laptop to start my work immediately.”
• “I don’t know whom to contact for this request.”
Thinks:
• “Will my request get approved quickly?”
• “How long will it take to receive my laptop?”
Does:
• Sends emails to HR or IT team.
• Follows up multiple times to check approval status.
• Waits for confirmation from manager or IT department.
Feels:
• Confused due to lack of clear process.
• Anxious about delays in starting assigned tasks.
• Relieved when the laptop request is approved and delivered.
Goals:
• Submit a laptop request easily.
• Track approval and delivery status in real-time.
• Receive the laptop without unnecessary delays.

Pain Points:


• No structured request system.
• Manual email-based approvals.
• No visibility into request status.
• Delays in asset allocation.
